Bullard is growing like crazy and this is an excellent commercial location on U.S. 69. Businesses continue to be built on this part of the highway. This is a great commercial retail location with great traffic exposure. At this time the parcel is completely wooded and it may be a good idea to save some of the trees, depending on the project. It is essentially level.

Directions: On the west side of Doctor M. Roper Parkway (U.S. 69), just south of the U.S. 69 bridge that crosses F.M. 344. There is an ag store on the south border of the tract. Property is just inside the Cherokee County border.

REDUCED \$70,100!!!
